# MARCH SURPLUS LIST

a b

AND

## Boxed Lots in Cold Storage

For Nurserymen and  
Dealers Only

MARCH 22, 1916

### TO THE TRADE:

This list shows revised counts of our entire surplus at Huntsville, also preliminary list of stock in Cold Storage at St. Louis, Rochester, and Philadelphia.

At an early date we will begin sending surplus stock to storage as fast as it can be packed, and we urge our customers to make their selections from the within list as early as possible. In ordering, where possible, always name second choice in case the variety or grade wanted has been sold.

We expect to open our Rochester office for the handling of all stock in Cold Storage about April 1st, and will mail our first regular Box List about that date. Until then all orders for storage stock should be addressed to us at Huntsville, Alabama, and will have prompt attention.

Yours very truly,

FRASER NURSERY COMPANY.

## TERMS OF SALE

**ALL BILLS** payable net sixty days from date of invoice, with discount 2 per cent ten days, 1 per cent thirty days. For cash in advance a 3 per cent cash discount is allowed.

**CASH** or satisfactory reference, with sufficient time to investigate before shipment, is invariably required of parties unknown to us.

**REMITTANCES** should be made by draft on New York, Chicago, or St. Louis, or by express or postal money order.

**CLAIMS.** No claims for rejections or deficiencies will be entertained unless made within ten days after arrival of goods.

**RATES** apply as follows: When 10 trees and not over 50 are ordered, the price will be 2½ cents per tree more than the price per 100. Orders for 50 trees or more up to 300, when not less than 10 trees of each variety, will be charged for at the price per 100. Orders for 300 trees or more, when not less than 10 trees of each variety, will be charged for at the price per 1000.

**TELEGRAMS.** Use Nurserymen's Telegraphic Code, copy of which we will mail upon request. In connection with this we give a cipher word in *Italics* for each grade. When this cipher word is used either in mail or telegraphic orders, no other description of the stock desired is necessary.

**PACKING.** We believe we excel others in the manner of handling stock. This is due largely to personal experience and supervision. We pack to insure contents from drying or freezing, even though the shipment be delayed in transit. **All prices are for goods in nursery, packing extra, except as noted.**

The cost of new boxes, well made, to be added as follows:

30x30x7½ to 9 feet.....	\$2 50	18x24x7½ to 9 feet.....	\$1 75
24x30x7½ to 9 feet.....	2 25	18x18x7½ to 9 feet.....	1 50
24x24x7½ to 9 feet.....	2 00	15x15x7½ to 9 feet.....	1 00

In packing small stock, we can sometimes use goods boxes that will fill the purpose just as well as our own new cases, and there is considerable saving by so doing. Goods boxes will be used wherever possible, unless otherwise instructed.

**Bales, 25 cents to 75 cents, according to size**

**SHIPMENTS.** When ordering, please state plainly whether freight or express shipment is desired, and give route if by freight. In the absence of this information, we will use our best judgment, without assuming any responsibility as to delivery. Goods are at purchaser's risk and cost after delivering to the forwarding company. Under the new parcel post system we are often able to forward small packages for less than the rates charged by express companies. Parties desiring to secure the benefits of parcel post should include sufficient for postage in their remittances; the difference, if any, will be refunded promptly.

**GUARANTEE.** We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid; but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

**CAUTION.** All orders are accepted upon the condition that they shall be void should any injury befall the stock from frost, hail, fire, or other causes beyond our control.

**REFERENCES.** Any bank or business house in Huntsville, Ala., or either of the mercantile agencies.
